What we do with your personal data?

We use your personal data to help us with bookings and keeping in contact with you in this regard. We can do this because we have a legitimate interest in knowing who is hiring and running activities in our hall and grounds.

Being a Covid Secure Hall, we are also mandated to keep your details on file. For possible submission to authorities such as Public Health England or the Council, in the event of an outbreak of Covid-19.

If you no longer wish us to have or use your data you can tell us to remove your data completely from our records and we must do so as soon as is reasonably practical. However we must keep for at least 21 days from last use under Covid rules, and then will no longer be able to hire to you as we must have this data under Covid rules.

Who gets to see your personal data?

We only share your personal data internally with trustees responsible for bookings, and also for Covid control. If required under Covid rules we could be asked to provide to Public Health England and/or the Council, in the event of an outbreak.
We do not share your data with anyone else.

We do not sell your data.

How long do we keep your personal data?

We only keep your personal data while you continue to hire the hall, either regularly or from time-to-time.

If you have not booked the hall for 2 years we will delete your data.

If you book the hall for a one-off event (e.g. Wedding/Funeral), then we will remove your data after the mandatory Covid rules period of 21 days.

We do not transfer your personal data to other countries.
